2. Click **"Account"** > **"My Services & Plan"** at the top of the page to access your plan information. Then, click the **"+"** icon next to your **"Norton Utilities Ultimate"** subscription and click **"Download"** to access the Norton login page.

The screenshot shows the HughesNet account management interface. At the top, the 'Account' dropdown menu is open, with 'My Services & Plan' highlighted. Below this, the 'My Plan' section displays a '15 GB Service Plan (49.99 w/ ACH)' with a commitment end date of 12/17/25. The 'My Optional Services' section lists several services, including 'Norton Utilities Ultimate'. A red box highlights the 'DOWNLOAD' button next to the Norton Utilities Ultimate subscription. Other services listed include 'Express Repair Basic' for \$8.99 and 'Home Voice with Commitment' for \$29.95. The page also features a 'Shop for More' button and a 'Cancel My Subscription' button.

3. Create or Log into your Norton Account.

Welcome to Norton

For the optimal experience with your Norton service, a Norton account is required.

If you don't already have a Norton account, select [Create an Account](#). Otherwise, sign in to your existing Norton account now.

The screenshot shows the Norton Sign In page. It features a 'Sign In' header and a form with a 'Username / Email' field and a 'Continue' button. Below the form, there are options to 'Sign in with Apple' and 'Sign in with Google'. The page also includes links for 'Forgot username?', 'Request one-time passcode', and 'New user? Create an account.'. At the bottom, it states 'Norton and LifeLock are part of Gen™' and provides a footer with 'This site is protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply.'

4. Click on **"My Account"** > **"My Subscriptions"** on the top right corner, to access all your Norton subscriptions, and click **"Download"** under **"Norton Utilities from your service provider"**.

The screenshot shows the 'My Account' page with a navigation menu on the right containing 'My Subscriptions', 'Account Settings', 'Privacy Options', and 'Log out'. The main content area is divided into three tabs: 'MY SUBSCRIPTIONS', 'ACCOUNT SETTINGS', and 'PRIVACY OPTIONS'. Under 'MY SUBSCRIPTIONS', there are two sections:

- Norton 360 Deluxe from your service provider:** Shows 'Subscription: Active', '0 of 5 License(s) used', and a 'Download' button.
- About Subscription:** Lists features: Device Security, Dark Web Monitoring, Cloud Backup, Password Manager, and Parental Control.
- Norton Utilities from your service provider:** Shows 'Subscription: Active' and a 'Download' button.
- About Subscription:** Lists features: Utilities and Plan Details.

5. On the “**Get Started**” screen, you can download the file or send the download link to install on a different device. Click “**Agree and Download**”, to start the file download.

The 'Get Started' screen is titled 'Download Norton™ Utilities Ultimate'. It offers two installation options:

- Install on this PC:** Includes a laptop icon with a download arrow and a red-bordered 'Agree and Download' button. Below the button, it states: 'By clicking on Agree and Download, you agree to our [License and Services Agreement](#).'
- Install on another device:** Includes a laptop and smartphone icon with a download arrow and a 'Send Download Link' button.

7. When the file completes downloading, double-click on the downloaded file and follow the on-screen prompts to complete the installation. Click “Scan now” to identify and cleanup opportunities to improve your Windows PC experience.
